# IELTS Speaking Questions

## Speaking test 1

### Interview

Do you study or work? (I said I recently graduated)  
What did you study?  
Do you like that subject?  
Why do you like it?  
Why did you choose this particular subject?

### Cue card

I had to talk about some interesting news I read in a newspaper  
- when did this happen?  
- what was the news about?  
- why was it interesting?

### Discussion

We talked about the marketing of the newspapers in my country:  
- How do they market themselves in order to increase sales?  
- What marketing practices do they use?  
- Do I think that some newspapers put a spin on the real story to increase sales?

.....

## Speaking test 2

### Interview

- Where do you live  
- Describe your city and your immediate area  
- What are your leisure time activities

### Cue Card

Describe any law which you like,  
- explain what law that is,  
- how you will follow it,  
- what you like the most about it

### **Discussion**

What international law should be applied all over the world?

Are policemen popular in your country?

Who are more popular, the layers or the police?

.....

### **Speaking test 3**

#### **Interview**

- Do you study or work? (I said I was a student)
- What course are you studying and why did you choose this course?
- Who does the cooking in your home?
- Can you cook?
- Do you think it's necessary to learn how to cook at school?
- What do you do when you hang out with friends?
- Do you hang out with 1 or 2 friends or with a large group of friends?
- When was your last time of going out?

#### **Cue Card**

If you could take another course when you finish your current one, what would you choose? You should say:

- What kind of course it would be
- What do you want to learn from it
- Why would you choose it

#### **Discussion**

- Do you think university should only offer courses related to the employment/job or courses on other topics as well?

I said on other topics as well and the examiner said "Good" then asked me

- Which do you think employer should pay more attention to, the qualifications or the experience.

.....

### **Speaking test 4**

#### **Interview**

The questions were about my city, what I liked about it and whether I liked partying.

#### **Cue Card**

Describe a house you have been too (not your own house), you should say:

- Why you liked it,
- Where it was,
- Who you've been there with

## **Discussion**

My examiner then asked me some questions about our buildings, do I think it matters how buildings looked, new or old. She ended the questions by asking whether I thought it was ok that the government maintained old buildings.

And here are some topics that **appeared frequently in the exams** last month:

- Childhood Toy
  - Historical place
  - Famous speech
  - TV program
  - Cooking
  - Healthy lifestyle
  - Traffic problems
- .....

Thanks to a couple of nice people from Jedda, Saudi Arabia and Malaysia we have 2 sets of Speaking test questions, here they are:

## **Speaking Test 5**

### **Interview**

- Tell me your full name
- What should I call you?
- Where are you from?
- Can you tell me something about your home / apartment?
- What improvement for your home you think needs to be done?
- When was the last time you went out with your friends?
- Do you prefer to go out alone or with friends?

### **Cue card**

You should speak about a special toy you got as a child

- describe the toy
- tell why it was so important to you.

### **Discussion**

- Do you think toys should be shared by children?
  - What do you think is the impact of sharing toys between children?
  - What can you tell about toys before and toys nowadays?
  - How would a toy help in the development of children?
- .....

## Speaking Test 6

### Interview

- What is your name?
- Where do you stay?
- Tell me about the area you live in.
- Do you like to stay there, why?
- Any public transport available in your area?
- Do you drive? If yes, why?
- Do you want your children to drive in future?

(I was quite shocked to be asked about 10-13 questions during my 1st interview.)

### Cue card

I was asked to talk about my trip which was not up to my expectations and say:

- what happened,
- what did I do and
- what was my feeling.

( I finished it in less than 2 minutes and frankly I didn't encounter any such bad experience before.)

### Discussion

I was asked question about the tourist industry, the impacts of it, both positive and negative, future tourists, etc.

.....

## Speaking questions Test 7

### Interview

- Where do you live?
- What is your favorite room in the house?
- What would you like to change in your house?

### Cue Card

- Was it on TV, newspaper or in the Internet
- What the advertisement was about
- What was good about it

### Discussion

- What is your opinion about advertising?
- In what ways advertisements are used in your country?

.....

This is the last set of IELTS Speaking topics and questions I've receive in February. Fresh ones from March are coming soon.

## **Speaking test 8**

### **Interview**

- Do you study or work? (I said I was a student)
- What course are you studying and why did you choose this course?
- Who does the cooking in your home?
- Can you cook?
- Do you think it's necessary to learn how to cook at school?
- What do you do when you hang out with friends?
- Do you hang out with 1 or 2 friends or with a large group of friends?
- When was your last time of going out?

### **Cue Card**

If you could take another course when you finish your current one, what would you choose? You should say:

- What kind of course it would be
- What do you want to learn from it
- Why would you choose it

### **Discussion**

- Do you think university should only offer courses related to the employment/job or courses on other topics as well?

I said on other topics as well and the examiner said "Good" then asked me

- Which do you think employer should pay more attention to, the qualifications or the experience.

.....

## **Speaking test 9**

### **Interview**

The questions were about my city, what I liked about it and whether I liked partying.

### **Cue Card**

Describe a house you have been too (not your own house), you should say:

- Why you liked it,
- Where it was,
- Who you've been there with

### **Discussion**

My examiner then asked me some questions about our buildings, do I think it matters how buildings looked, new or old. She ended the questions by asking whether I thought it was ok that the government maintained old buildings.

And here are some topics that **appeared frequently in the exams** last month:

- Childhood Toy
- Historical place
- Famous speech
- TV program
- Cooking
- Healthy lifestyle
- Traffic problems

.....

## Speaking Test 10

### Interview

.....

## **Speaking test48**

### **Interview**

This was fairly easy. And very quick. It is over in no time. You come in, exchange friendly phrases such as: "How are you" and so on and the examiner tells you about the procedure. He then starts the recording ♦ I am not sure if this was a test but in the beginning he said: today is November 18th, 2008 ♦, so I said, "Excuse me, but today is November 15th, not 18th" ♦ Anyway, he then asked me to give my full name and where I was from.

He asked me about my city, what kind it was, special features, what I like about it. It is funny, I always answered immediately and after about 2 sentences he interrupts you and asks something else.

### **Card**

He then told me I should talk for 1-2 minutes on this topic, he gave me a card where the topic was: seasons: favorite season, what weather conditions are like, what I like to do in that season and why it is my favorite. I could take notes but I chose not to and started immediately.

### **Discussion**

He then asked me, what different jobs there might be in different climatic regions, and what jobs I think refer to seasons and whether I think concern about climate change around the world in appropriate and what I would recommend to do against it. I told him and then he said: thank you and good bye."

.....

## **Speaking test49**

### **Interview**

I entered the room and we had a little smalltalk (the examiner started this smalltalk) and I was very confident. Up to the moment when the examiner said: "Oh by the way, that's not the test. I have to start the recorder first" Then she did, stated date, time, center number, my name and candidate number and so on.

The examiner was nice and very kind, no problem about our relation and so on but it felt like a bloody police questioning and I was not able to answer the bloody questions in two sentences.

### **Cue Card**

What kind of course would you take if you had the time, you should say  
- what would you learn in this course  
- why would you chose it

## **Speaking test59**

### **Cue card**

I did the speaking fluently but was a bit shocked at the 2nd stage, where I was asked to talk about

“WHO WOULD BE THE FAMOUS PERSON YOU WOULD LIKE TO MEET IN YOUR LIFE”.

Honestly, in my whole life I never thought about any famous person I’d like to meet. This question made me waste my time just to think of who the person would be. I panicked and lost a chance to write down some points to talk about. I still managed to say something but not as good as I could if the question was a different one.

### **Discussion**

The follow-up questions were:

- Would you like to be famous?
- What is the most important thing the famous person you mentioned before should do, to make them a good role model?
- What is the difference between actors/actresses nowadays and in the past in you country?
